

PUBLICATION NOTICE
Westside PL94 Coal Seam Gas Project, Queensland
EPBC 2021/9117

This notice is published pursuant to Section 95B(2) of the Environment Protection and Biodiversity Conservation Act 1999 (Cth) (EPBC Act) in relation to PL94 Coal Seam Gas Project (EPBC 2021/9117). The proponent is Westside Corporation Pty Ltd.

The proposed action involves the construction, operation, maintenance, decommissioning and rehabilitation of up to 350 coal seam gas wells and supporting infrastructure south of Moura, Queensland.

The proposed action was determined to be a controlled action under the EPBC Act and is currently under assessment by preliminary documentation. The controlling provisions are listed threatened species and communities (sections 18 and 18A, EPBC Act).

The preliminary documentation is available for viewing for information purposes only, online at <https://westsidecorporation.com/sustainability/applications/> and in hard copy at the following locations:

- State Library of Queensland – Cultural Centre, Stanley Place, South Brisbane Queensland 4101; and
- Moura Library – 28 Gillespie St, Moura, QLD 4718.

There is no cost for reviewing the documentation online or at the hard copy locations. Persons with any special needs may contact (07) 3020 0900 for assistance in accessing the documentation.

Pursuant to section 95A of the EPBC Act, the period for public comment on the preliminary documentation was 31 July until Wednesday 13 August 2025, and the comments received have been considered, noted and summarised in the Preliminary Documentation published at the above locations for information only.
