

PUBLIC NOTICE
Pursuant to Section 386 of the
WATER ACT, 2000
Approval of UNDERGROUND WATER
IMPACT REPORT

In accordance with the requirements of Section 386 of the Queensland Water Act 2000 (Water Act), Westside CSG A Pty Ltd, Westside CSG D Pty Ltd and Mitsui E&P Australia Pty Limited notifies that an Underground Water Impact Report (UWIR) for its coal seam gas (CSG) operations, within Petroleum Lease 94 (PL94) located to the south of Moura, QLD has been approved.

The Department of Environment, Tourism, Science and Innovation (DETSI) formally approved the finalised UWIR with conditions on the 19th May 2026.

The approved UWIR can be viewed on the Westside website at: <https://westsidecorporation.com/sustainability/applications/>

For more information or to request a hard copy please phone 07 3020 0900 or email us at info@westsidecorporation.com
